Germany: Beehives!

Michael Magotsch · Oliver Otto · April 23, 2024

Sustainability in Remuneration Systems? Is that possible? And if so, how? Everyone wants it. Everyone claims it. But in practice, are sustainability criteria actually met? Have insurance companies and investment houses really made progress or have sustainability targets remained with the beehives on the roof – i.e. greenwashing – in the practice of fund providers? What has become of the seal of...

Extensions of Russian Sanctions to Certain Imports May Not Allow Importing as Usual

Sandra Lee Bell · Ivan Komaritsky · May 10, 2024

The prohibition of imported merchandise is a very rare occurrence in connection with sanctions issued by the United States through the Executive Branch. That practice, however, seems to be changing quickly with respect to imports from Russia. Recently, the U.S. Department of the Treasury, Office of Foreign Assets and Control...

A Brief Overview of AI Regulation in Europe

Stephanie De Giovanni · Elia El Kouh · July 8, 2024

Concerns about AI's contribution to misinformation, fake news and copyrighted content have intensified globally in recent months, given the growing popularity of generative AI systems such as OpenAI's ChatGPT, backed by Microsoft (MSFT.O). Faced with the risks posed by these technologies, the European Union has adopted...

THE RIMON WAY

We believe that the future of the law belongs to decentralized and agile firms. Over the last decade, we have pioneered a new type of law firm that combines the key strengths of the traditional model with the flexibility of the digital age, offering both improved delivery of client services and attorney job satisfaction.

Innovation is one of the defining principles of Rimon. The firm was founded on challenging industry standards. Embracing new technologies clients come always first. Rimon's Partners were meticulously drawn from the top ranks of premier law firms, international corporations, and academia. Their experience and education ensure our clients receive consistently excellent and comprehensive counsel.

Rimon takes an innovative approach to legal practice and has a transparent economic model to facilitate effective collaboration across practice groups. Rimon's unique model empowers its attorneys to freely utilize cloud-based technology and set individualized economic value propositions with their clients.

Rimon has been a leader in flexible, digital working since its inception in 2008. As a full-service firm with over 50+ locations globally, we are pleased to offer our clients the highest quality of legal services with the flexibility of the Rimon way of practicing law.

HAPPIER ATTORNEYS AND BETTER SERVED CLIENTS - THAT IS THE RIMON WAY
